

SMART THERMOSTAT REBATE FORM

A PNM Home Energy Checkup is required before a rebate claim can be submitted. To qualify for the rebate, the purchase must be made within six months after the completion of the PNM Home Energy Checkup, and the claim must be received by PNM no later than seven months following completion of the Home Energy Checkup. PNM will issue rebates for qualifying, properly completed rebate forms in the order in which they are received. Rebated smart thermostats must be installed within the PNM service territory and at the address where the PNM Home Energy Checkup was completed. PNM, or its contractor, reserves the right to conduct field inspections to verify installations. All rebates are subject to terms and conditions. Please allow 6-8 weeks for receipt of rebate check. Payment processing may take longer if information is incomplete or inaccurate. By participating in this PNM rebate program, customers agree to and acknowledge the Rebate Program Disclaimer of Warranties and Waiver and the Release of Liabilities, which can be viewed in full at pnmhomecheckup.com.
